Sample Introductions:

Option 1: Generic

Author Lynn McWhorter was born to a petite bronze-skinned mother with the grace of a dancer, and to a father who taught her that money is something you spend and laughter is something you need. As you'll soon find out, Lynn embraces the best of both. Dancing and Lynn McWhorter are a perfect match—not just *Almost Perfect*, like the title of her first novel. Lynn McWhorter has the kind of optimistic energy that takes you in its arms; *Almost Perfect* continues the dance by guiding readers into a spirited, memorable adventure of clever conversation, humor and insight.

Always one to listen to her heart, Lynn has in her past pursued acting, poetry and two Master's degrees: one in Literature and one in Marriage and Family Therapy. At age 53, two new doors opened for Lynn when she discovered ballroom dancing and a book, *Conversations with God*, that sparked the inspiration behind *Almost Perfect*.

This treasure of a book centers around a cleverly-written, delightfully-relatable exchange between two friends who share unconditional love. Below its surface, though, are multiple dimensions of discovery, love, loss, doubt, hope and spirituality.

Who will love *Almost Perfect*? Anyone who understands what it means to love and be loved unconditionally— and who likes to laugh as much as they love.

Please help me welcome Lynn McWhorter.
